

CONTRACTOR ADMIN KIT

Customer-facing document sample

SAMPLE PREVIEW

Sample Project Proposal Page

This preview shows the look and structure of the customer-facing templates without including the full editable proposal.

Prepared for Sample Client	Prepared by Your Company Name	Proposal date 2026-06-16
--------------------------------------	---	------------------------------------

Project Summary

This sample shows how the full template helps present job details in a clear, customer-friendly way. The paid version includes the complete editable proposal template with sections for scope, pricing, schedule, assumptions, approvals, and customer communication.

Sample Scope Snapshot

Area	Work included	Customer notes
Front yard	Cleanup, edging, mulch refresh	Confirm preferred mulch colour before scheduling
Back yard	Seasonal cleanup and debris removal	Access through side gate
Preview only	Additional proposal sections are included in the full product	Editable template included after purchase

Included in full version: complete editable proposal, invoice, change order, internal workbook, scripts, and AI prompt pack.
